Report of Principal and School Improvement Council

Dear Members of the Hilton Head Island Elementary IB Community,

The SIC meets monthly to discuss celebrations, current events and challenges facing our school. We provide a united voice for the continued success of Hilton Head Island Elementary School, an authorized International Baccalaureate school. SIC goals are defined with a focus on increasing student achievement. SIC goals are aligned with those of the Beaufort County School District and the five year Strategic Plan. The SIC voted to concentrate effort over the next two years on a plan designed to improve and increase parent and community volunteerism to positively impact student achievement. There are three phases to achieving this goal. Phase one involves increasing volunteerism specifically to assist with the various programs and events designed for the students and their families. A newly appointed school volunteer coordinator will work closely with the SIC and PTO to recruit qualified and eager volunteers into the school community, thus fostering greater ownership of the school's success. Phase two focuses on improving communication between parents in order to solicit volunteerism. Parents helping parents is a proven way to ensure the current and future success of our many enriching academic and cultural events. The redefined role of the classroom parent is to provide detailed information regarding school events and opportunities in which to volunteer. Phase three concentrates on evaluating the school to parent communication and teacher to parent communication. The school uses tools such as automated phone messaging, agenda books, Power Teacher, flyers, newsletters, and email messages to communicate. When these tools are used, we believe they are a powerful instrument for recruiting volunteers. While striving to increase volunteerism, all stakeholders will benefit. School programs will continue to prosper. These educational programs in conjunction with the outstanding teaching and learning will positively impact student achievement. Sending well-rounded, globally-thinking young learners into the community will then foster further volunteerism. I hope that you will join us in creating a strong foundation for our future leaders.

Sincerely,

Jenifer Fielding Jill McAden

President, SIC 2013-2015 Principal

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	84.4
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Hilton Head Island Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
